

## May 2009

Dear All,

We have just had our third UK Regional meeting which was held in Kingswinford, West Midlands. What a wonderful day we had! We have just received an encouraging letter from Denise Raybould who organised the day and thought we would share some of it with you. Denise wrote:

Bless you both. We do believe that our precious Lord was truly glorified that day ! Feedback has been very positive June. Many ladies were uplifted and inspired and the Lord brought to mind your comments about being a 'spiritual womb', as we believe much was indeed birthed in the spiritual realm from Saturday. We actually had ladies from 26 local churches present! (As Maggie prophesied - a 'nerve centre')

I am liaising with a group of ladies wanting to start a Deborah Group and another lady wants information. I will furnish them with Newsletters, your CD and visits if wanted.

But June, the real blessing came on Sunday morning ~ when right before my eyes ~ wait for it ~ TWO OF THE YOUNG LADS I PRAY FOR CAME INTO CHURCH FOR THE SERVICE !!!!!!!!!!!

PRAISE THE LORD ~ THE PRODIGALS ARE RETURNING ~ HALLELUJAH !! Neither had been in church for months and it took me a few minutes to realise the significance.

Our God is great and mighty to save ~ Amen !

Please pray for us as we meet next week for our regular Deborah Meeting and 'debriefing', that we would know where to go from here, as I believe the Lord has given us a platform which we must now build on.

As for our children, on Sunday morning I felt the Lord really echo some of the things Maggie had brought out in her session, and indeed He said the same to me, 'Why are you entertaining these children -they are mine!' and in our Kings Kids on Sunday morning I grouped them into pairs and asked them to pray for one another - June/Maggie you should have seen them!

We could have cried! They were laying hands on each others heads and really praying.

Why does it take us so long to see the obvious ? I'm sure before too much longer they will be teaching us, if not already!

Please, please, keep in touch. Will be praying for you both. I take heart once again from Ephesians 3 v 20 ~ NOW TO HIM WHO IS ABLE TO DO IMMEASURABLY MORE THAN WE ASK OR IMAGINE, ACCORDING TO HIS POWER THAT IS AT WORK WITHIN US, TO HIM BE GLORY IN THE CHURCH AND IN CHRIST JESUS THROUGHOUT ALL GENERATIONS, FOR EVER AND EVER, AMEN

May you both be very very blessed for all your work for Him, and pray your next Regional Day goes as well and many ladies are impacted and motivated as you mobilise your army of praying mothers,

Love always.

God seems to be doing different things in different places and we must always take care to be led by Him for each region. I am now looking ahead to our next meeting at Ansdell Baptist in Lytham St Annes and we are seeking His strategy for that particular meeting to be held on the 20th June. Instead of

having meetings Saturday morning and afternoon as we have before, they will take place in the afternoon and evening as this is what people attending conferences at Ansdell Baptist are used to. We will see if this is more convenient for people. I will also be speaking at this church on the Sunday morning. Further information about this conference can be found on our website.

As regards future meetings we are planning in the UK, we have a meeting booked in Harrogate on the 29th August. We also have several other meetings waiting for confirmation of dates to be held next Autumn/Spring. We have also booked our tickets for a trip to Darjeeling on October 13th - 20th. This trip is being organised by Pastor Timothy Rai who invited us to go to Nepal last year. Once again Sue Allen will be accompanying me.

I am pleased to tell you that the consultant has agreed to let me have another scan which will show if the gall stones have gone. He was rather reluctant to agree to this as he says that stones in the gall bladder do not go away! The scan will take place on the 17th June. As you know the operation is scheduled for the 22nd June. Please keep praying and I will let you know how I go on. Brian and I are going on holiday to Spain on the 29th May coming back on the 16th June.

Please continue to pray for Matthew who I told you about last month. He has begun his chemotherapy and up until now all has been going well. We have just heard that Matthew has developed an infection and is in hospital. Can we pray that the Doctors will have wisdom in how to treat the infection and for Matthews full and speedy recovery from it. Please pray for his salvation as well as his healing.

Thank you to our leaders who have sent translations for the website. If you haven't already done so, do look at our new website.
