July 2006 Update from Deborah Arise International

The Vision

The Vision of Deborah Arise International is to see women investing time daily and if possible praying weekly in pairs or triplets-interceding for the current generation of young people. As we move together we will more effectively take back ground from the enemy and rescue our captive generation. We will seek God for his strategies for the battle, supporting and encouraging each other as we move on.

In 1999 our young people did not want to come to church; they were embarrassed and felt intimidated by their peer group. We began fasting and praying for our young people the first three days of each month. After fasting in this way for seven months without seeing any visible change, suddenly there was a real breakthrough with a couple of them and we have continued to see a wonderful change in our young people. Now they lead our worship, march with banners, preach, lead small groups of younger children etc. Our church strategy is to have a weekly Deborah prayer meeting and to continue the three day fast. We have found this to be powerful and of tremendous value. We feel strongly that the place to START is with prayer for the CHILDREN IN OUR OWN FAMILIES and THE YOUNG PEOPLE IN OUR OWN CHURCHES, and then we move on to prayer for our city, the nation and the world

Deborah goes into Asia June Richards

Linda Holt and myself had a great trip to Pakistan in May. On the plane travelling from London to Bahrain, a 6 hour flight, I was able to lay down across 5 seats with my feet up and soak in God's presence, speaking in tongues most of the time and making myself available to God. As usual, on the Sunday before my trip, our church people sent me out with their blessing and prayers. A group of ladies who were praying for us in France saw BIG angels accompanying me. The thought of that really blessed me. It was a wonderful experience and I felt totally at peace and very relaxed.

We arrived at Lahore where hundreds of men were there to meet the planes coming in. It was so nice to see Pastor Yaqub appear out of the middle of them to give us a hug. Rubina, his wife, and the ladies met us and gave us a bouquet of roses each and put rose garlands around our necks. What a welcome! We felt like royalty!

Although Pakistan is an Islamic State, they have a Christian Member of Parliament in the Punjab area. On the first night of the Convention, we had a meal with him and then we all went to the meeting together. We were warmly welcomed by the people who were clapping and singing "You are welcome in this place". As we walked down the isle they showered us with rose petals like confetti, and took many photographs.

I presented the Deborah vision with all my heart, which was very well received, Pastor Yaqub saying he had never heard anything like this in his 23 years of ministry, which so encouraged me.

We spoke at a Pastors' meeting. They meet monthly, bringing their wives. I shared with them what the Deborah vision would mean practically in their local churches.

The Youth Convention was really special for me. I loved being with them and feeling their passion for the Lord. We challenged them to be "Hot" for God, to be all that God has called them to be and do all that God has called them to do.

Pastor Yaqub of Christ for Pakistan Ministries, is an amazing man of vision. He releases the women, trains young people in the Bible schools and also in many skills

e.g. Computers, English classes etc. He teaches people to read and write so that they can read the Bible and also better themselves. They had 4 Bible schools in 2004 and now they have 55!

There were two services on the Sunday morning. It was quite daunting to see a policeman standing at the door of the church with a BIG gun. Perhaps it was better not to think of why he was guarding the place! A lovely man, from a place only 150 km

Deborah Goes into Asia (Continued)

away, shared that his Christian village had been burnt down by Muslims, and their women had been raped. This had happened only a few weeks ago at Easter time. They were homeless after losing all their belongings and he said they were living like beggars. They took up an offering for him. I had heard News reports of this kind of thing happening in the world today, but to hear this man myself, speaking of their suffering, was devastating. I just cried and cried as I was asked to pray for him and his people.

There was a testimony time, and it was so good and encouraging to hear people testifying of healings they had received, deliverance from fear, etc. which they had experience at the Conference.

The temperature was 45 ½ degrees, which went even higher on our last day, and it was only the start of summer!! For me, the heat was overwhelming, especially when preaching my heart out at the Women's seminar on our last day. When we arrived at the Church, it was packed out and was like being in an OVEN. . I had never experienced anything like this before. The women were just lovely and sat there on the floor patiently listening. (I feel I have left my heart with those women). I prayed with them that they would receive the Deborah sword.

After having a lovely meal, a dozen young men arrived, asking me to go to the cricket stadium to lay hands on the walls, praying that it would be used to be filled with young people praising God. (I

had mentioned this in my talk). What a privilege it was to go with them. It was now getting dark and when we got back into the van, within 5 minutes a strong wind came up and the dust from the dirt roads was swirling in front of us. The whole thing was amazing and quite menacing. It was still very hot. I couldn't help thinking that something had been stirred up in that place!!

I have been asked by Pastor Yaqub to write a manual of the Deborah vision and the prayer strategies. He has said he will have this translated into Urdu, the language widely spoken in Asia. This, then, would be able to be taken to any Arab nation, to spread the vision. He does have contacts in some of those nations.

June's Future Plans

Israel

4th October – 17th October

June will be going to the Feast of Tabernacles in Jerusalem along with Helen Ritchie, our leader in Ireland and Elisabeth Johansson, our Swedish leader. They will be joining with a group of people June met whilst in Zimbabwe, earlier this year. Please pray for their safety as they go on this trip. Pray that hearts will be knitted together and that June will meet people in Israel who will catch the vision of Deborah Arise.

Romania

26th October –
9th November

June will be returning to Romania for her third visit. Once again she will be going with Jean Stockley who has visited Romania many times to minister to the people there.

They will be meeting with women they shared the vision with at the end of last year and also taking part in a conference for women in Petrosani 27th – 29th October.

Nigeria

26th November –
8th December

We have a new leader in Port Harcourt, Evangelist Azubike Obiandu, who has invited women from 17 states in Nigeria to hear about the vision of Deborah. June will meet with Pastor Ruth Mwagalwa who leads Deborah Arise Africa and Nancy Gitau who leads the vision in Kenya, in Lagos and they will travel together to Port Harcourt. They are also hoping to meet with the other leaders of Deborah in Nigeria from Warri and Kaduna State.

Please lift all of these plans up to the Father as we only want to be doing the things He wants us to do.

The Coming Worldwide Youth Revival

Bobby Conner

We wanted to remind everyone of Bobby Conner's prophecy regarding the World-wide youth revival. We recently received a letter from one of our intercessors who felt that the Lord had been revealing to her His desire to raise up a multi racial youth army in England and Europe, who would march as one in racial unity. As she prayed about this she saw that a spirit of racism has been rising up in Europe and especially England. This could lead to the door being open to the spirit of violence, which would effect the youth of Europe in a very serious way.

The Lord desires to bring racial reconciliation between the youth of the nations but the enemy will use the spirit of racism to sow the seeds of discord and division amongst the youth (unsaved and Christian youth).

Bobby Conner's prophecy says that there will be no racism in the coming world-wide youth revival so let's pray against this spirit, tear down the plans of Satan and call the plans of God into being

There is coming a world-wide youth revival, the Spirit of God will release such "passion" for the presence of the Lord.

This coming awakening will sweep across the earth, like a wild fire, nothing will be able to stop, nor stand in the way. These youth will be filled with resolve and vision of the harvest, they will be bound together with cords of love and faith, that can not be broken. They will gather together in mass gatherings, in different areas of the world, in some of these meetings there will be up to half million young people.

MEETINGS NOT ORGANISED BY MAN

These meetings will not be organised by man, they will be directed by the Spirit of God. This will be a time of release of such power from the throne of God. Signs and wonders will be happening on a level not experienced in the Church until now. This will be the normal Christian life for these end-time warriors. They will not look like we think they should look, they will not talk like we think they should talk, however the presence and power of God's Holy Spirit will be upon them.

NO RACISM

In this radical band of believers there will be no racism, boys and girls will share in leadership. There will be a unity that will astound the Body of Christ. Soon it will be evident to all why the enemy has attempted to kill this generation. He has somehow seen this emerging end-time army. They will be willing to die for what they believe. It has been hard to get my generation to live for what they say they believe in, however this end-time generation will be ready and willing to lay their lives down for the cause of Christ. There will be camps where these youth come together for training and preparation.

It will be the wise pastor and people who will now begin to help prepare for the training of these leaders. Do not be afraid to open

your homes and Churches to these young people. It is time now to begin to make preparations for their training, and equipping. Many of the leaders in the Church will now spend most of their time helping train and prepare these coming leaders, they will find it necessary to pour their lives into these youth.

IT WILL BEGIN IN 2000

These youth will begin to come together this year (2000) and by the year 2002 they will be on the move. Their message will be the words of Micah 3:8 "But as for me, I am filled with power, with the Spirit of the LORD, and with justice and might, to declare to Jacob his transgression, to Israel his sin." (NIV)

AN URGENCY TO PRAY

The Spirit of God is releasing an urgency in the hearts of the true intercessors to begin to pray for these youth on a new level. None of us can truly finish our course if we have not helped the next generation to accomplish more than we have.

Generations Joining Together

Carol Hay

Leader of Deborah Arise North America

Deborah Arise has been privileged to see the fruit of many consistent and diligent prayers being realized in North America. We have, in the past months, joined prayer forces with other ministries and heavenly hosts to support two major youth moves that God has been stirring in both Canada and the U.S.A. February, March and May saw a total of 75,000 youth gather in three cities across the U.S.A. to participate in what Ron Luce has called Battle Cry for a Generation. These were not just events. They were the unveiling of a God-given battle strategy involving all generations to rescue the current generation from the road Satan has put so many on. We joined together in awesome worship led by Delirious from England. Then the youth were challenged by no nonsense speakers.

- Challenged to walk in purity (clear statistics on the state of sexual immorality of Christian and non-Christian alike were presented)
- Challenged to expand their worldview to include the lost

in their own and other countries and consider their evangelistic responsibilities to these groups. Mission challenges were given and accepted.

- Challenged by testimonies shared concerning victory over the traps and sins that are claiming the youth of our day. An opportunity was given to repent and begin afresh. Then the opportunity for the older generation to repent of sins that opened the door to this younger generation.
- Finally all were challenged to make a difference in our nations and for the next generation to send a clear message to governments that they want a return to righteous laws and values (issues such as ready pornography, violent games, gay marriages, teen suicide, etc. were addressed).

These challenges were embraced and already in over 50 U.S. cities organized rallies at government offices have sent a clear message

that Godly youth and adults are joining forces to require Godly government.

In Canada this July thousands of youth and adults from across the nation will assemble in the capital at the government buildings to raise a voice that sends the message for return to righteousness to the Canadian government. Women in Deborah Arise from both nations are uniting in prayer for each other's country recognizing the need to take back not just our nations but the continent. We continue to lift up Mexico that struggles with these issues as well, but with little voice as yet.

We understand clearly the importance of continued and effective prayer to support the next generation, clear the way both spiritually and naturally and to encourage them. We are acutely aware of the need to join hands across generational lines in order to see God's Kingdom come and His will be done on this continent. By God's grace we are seeing it happen!

Calling All Nations

On the 15th July 2006 Noel Richards will be calling the youth of the world and the young at heart in all generations to a day of worship in the Olympic Stadium in Berlin. In the stadium where, in 1936 Hitler, for his own ideological purposes, abused the capacity of youth for passion and devotion, Jesus Christ will be honoured with all power and devotion, exactly 70

years later. After 70 years – a great Year of Jubilee! Not only young people, but all the family have been invited to this worship event. There will also be special worship and praise for children. Older people are also encouraged to attend and their support in prayer will be urgently needed. Before the event, there will already have been three days of worship and intercession

from 10 in the morning until 10 at night. David said that he did not want to bring any sacrifice to the Lord that had not cost him anything.

Let's pray for this event before and after it has taken place, that everything that has been achieved in the heavenlies on that day will have far reaching effects.

Update for our Prayers for Northern Uganda

In our last newsletter we wrote about the current situation in Northern Uganda. Over the past few months the BBC have reported that the Lord's Resistance Army rebels are preparing for talks in southern Sudan with the Ugandan government.

An LRA delegation had gone to Juba where the southern Sudanese authorities are expected to mediate in talks.

South Sudanese Vice-President Riek Macher – himself a rebel leader before the formation of the regional government last year, confirmed early preparations were taking place for the LRA talks. Asked what the purpose of the talks would be Riek Macher replied 'peace talks'.

Joseph Kony the LRA leader released a DVD recording in May in which he appeared to call for an end to the 20-year conflict. The DVD appeared shortly after the Ugandan President Yoweri Museveni said he would guarantee Mr Kony's safety if peace talks were agreed by the end of July. The BBC reported that any talks

with the LRA would be complicated. Some of the LRA leaders, including Joseph Kony, have been indicted for war crimes by the International Criminal Court at the Hague, and the UN Security Council had called on the Sudanese to arrest these men. A delegation from the UN Security Council is visiting Southern Sudan to carefully follow developments.

Previous attempts to negotiate an end to the war have failed, with both the Ugandan government and the rebels being accused of lacking commitment to the peace talks.

Since we have started praying, the news of what others are doing in Northern Uganda has been reaching us. Recently we have heard from Fresh Fire Ministries led by Todd Bentley, that they too have set up an orphanage in Kampala and have recently been able to rescue 20 children from the troubles. They have reported that a further 50 children are waiting to be rescued. We know there are many more.

Let's praise God that many people are being motivated in Prayer and action for Northern Uganda.

Let's pray for:

- *All sides involved in the peace negotiations and that God's will, will be done, especially for the sake of the children being affected in Northern Uganda.*
- *That the LRA will lay down their arms.*
- *Joseph Kony has proclaimed himself a spirit medium and is heavily into witchcraft. He claims to be guided by the Biblical Ten Commandments but the fruit of his actions so far is widespread insecurity, misery and death. Spiritual warfare is needed to win this battle in prayer.*
- *For salvation for the children who are kidnapped.*

Thank

Thank you to those who have sent in donations to Deborah Arise. These gifts are always gratefully received so that the work of this vision can continue to expand.

Cheques can be made payable to 'Deborah Arise Europe'.

Please pray for God to continue to open His doors for us into the nations and that we will hear clearly where His Spirit is leading us. We are constantly amazed at the Divine connections the Lord gives us as we lay the map of the world on the floor and lay hands on it and pray. As we soak in the presence of the Lord, He speaks to us and reveals His heart. We would really encourage you, in your groups to continue to spend quality time worshipping the Lord and soaking in His presence as you enter into your times of prayer.

You

I Saw the Wind of the Spirit on Children

Kathie Walters, September 13th 2005

kathiewalters@mindspring.com

The following article highlights what the vision of Deborah Arise International is all about.

When I was recently in Australia I was woken up by a wind in my hotel room.

I sat up in bed and I immediately saw this same wind come upon many children all over the world. I saw them laying in bed, just as I was and then this same wind woke them up. They were immediately wide awake. These children heard the voice of the Lord and began to prophecy and see visions of things that were to come. I saw adults look their way, but not take them seriously, and the adults continued with what they were doing. Many Revivals have started with Children. Many Many revivals have started with children. Over the last 35 years we have seen many thousands of children with a powerful anointing, prophesying, praying for the sick and many miracles happening. So in a sense what I saw was not "new" but the wind that came began to touch children and youth who were not so familiar with the anointing and power of God.

I have seen judgments released as children have prophesied. You do know that God's judgments lead to life? Sometimes Scary Prophecies. I have been with children who have prophesied about the closing of a church. They prophesied that the church had rejected a move of God, which they had actually prayed for. They prophesied that the pastor was about to leave his wife and family,

they prophesied that the church would close in three weeks, they prophesied that someone would take the money. When they were through they asked if they could "go and play now." Let me tell you in three weeks it had all happened.

God doesn't see "age"

The religious spirits don't like to hear these things. "Oh let the children play, they can get serious about God when they are older." I wish the devil would see it that way- well he doesn't, he is after your children before they are born. The enemy has an abortion program in place and if that doesn't work, he will use demonic activity through toys, games, TV and movies. Don't get me wrong I am not advocating paranoia, but we as parents have to be watchful.

As my husband David, says, "Children do not have a baby or junior Holy Spirit, they have the same sized Holy spirit as you or anyone else." God is not interested in age - there is no age, time or distance in the Spirit realm. Someone got upset recently because my husband mentioned "hell" in a children's meeting. "Don't tell them about things like that, it will give them nightmares" they said. Well you know what- God has given children visions of heaven and visions of hell. It dramatically changes their lives. If you had a vision of hell it would for sure make you a whole lot more concerned about the unsaved. Often in the meetings when the kids have seen such things, an anointing often

comes strong and there is strong intercession for the souls of the lost.

*Prepare is better
than repair*

So now is the time to prepare them, children and youth, prepare your church, the parents in your church, the children's pastors. When the children are anointed (and you are supposed to bring them into the anointing) it's no use giving them a few colouring books. How many more times do they need to hear about Daniel in the lion's den? Daniel is a great inspirational story, but they also need to be equipped in the power of the Spirit. Make sure they have their own experience of the power and presence of God, get them filled with the Holy Spirit, teach them about the gifts of the Spirit. We have a new Bible Study book for kids and adults on the "Gifts of the Spirit." Teach them how to pray in the Holy Spirit- with power and anointing. See Esther Illinsky's book, "Let the children pray."

A child's dream saves a village. A man we knew years ago had a great prophetic ministry. He lived in the US, but in his dad's village in Europe a young boy had a dream. In the dream God told him to tell the Christians in the village to move out of Romania as there was severe persecution coming. The church elders listened to the young boy and they left, and somehow managed

to get to England. Well you know the story of Romania under communist rule- very very severe persecution came and many Christians were imprisoned and killed. I have thought sometimes, "Suppose those elders had not listened, suppose they were like many church leaders who want to keep the kids in the playroom and give them little stories and colouring books, and think they were not spiritually relevant because they were "children." But what did Jesus say? "I thank you, Father, Lord of heaven and earth, You have hidden these things from the wise and the prudent and have revealed them unto babes," (Matt. 11:25). "Let the little children come to Me and forbid them not, for of such is the kingdom of heaven," (Mk 10:14) "...Whosoever shall not receive the Kingdom of God as a little child, he shall not enter therein," (Mk 10:15)

Children need to be Equipped in the Anointing

The enemy's army is being trained When David first began to bring children into the anointing, he had a vision. He saw in this vision young Muslim boys 8,9,10 and up, being trained with weapons, grenades, guns, explosives etc. Then he saw western church children, especially American children and teens, hanging out, being entertained with videos, games, Pizza parties etc. The Lord spoke to him and said "The enemy is training his army and My church is entertaining her children." These children he saw in the vision are today's terrorists. As most of you know, David has spent over 15 years endeavouring to give a vision to churches about God's destiny on the Children. Children need their own encounter with GOD. Children need to be

Equipped in the Anointing. Children need to be filled with the Holy Spirit and move in the Gifts of the Spirit. Children need to be taught to be powerful and strong in Spirit

These are God's arrows

These children are God's arrows, which we are to sharpen. The Bible says that the arrows are to be fired into the city gates. The city gates represent the places of authority, for it was where the elders sat. "As arrows in the hand of a mighty man; so are children of the youth. Happy is the man who has his quiver full of them: they shall not be ashamed, but they shall speak with the enemies in the gate" (Ps 127: 4,5)

God's answer has always been - a mighty man of war? No! A great powerful army like Rome? No! God's answer has always been a BABY. When the Children of Israel were in bondage under Pharaoh, God did not send a mighty army to deliver them - but he sent a mighty deliverer in a little basket-Moses, who led them out of captivity. When Israel was captive under Rome - God didn't send a mighty army, but He sent a mighty babe in a manger-Jesus! Jesus was anointed and appointed to bring deliverance to the captives. We must learn to see as God sees. When Pharaoh's daughter saw Moses, she saw a cute little baby, but when God saw Moses in the little basket, He saw Genesis, Exodus, Deuteronomy, Leviticus. God has a big vision. When Adam sinned God didn't go back to the drawing board and build a bigger and better Adam did He? He brought forth a baby - Jesus. That's why the devil tried to destroy Him, through Herod's "slaughter of the innocents."

What do you see?

Well Mom, Dad, Children's Pastors, Senior Pastor, what do you see when you look at the kids in your church. Do you see sweet bothersome little kid's who can't do much? A little body that doesn't tithe? A cute little kid who needs be put in another room with a colouring book and a little story and cookie, so they don't disturb anyone. Or, do you see what God sees? God has a replacement program. God's answer to that ungodly TV anchor women is one of His arrows - a replacement. That ungodly Congressman will be replaced by one of God's arrows, that is being sharpened in the spirit even now. God always has a replacement program if we can but see it. Children do not have a junior Holy Spirit. They have the same Holy Spirit as in anyone else. Sure they can't do much in the natural, but under the anointing they are just as powerful as anyone else. They can prophesy the word of the Lord, they can lay hands on the sick, they can cast out devils. Oh yes, we have seen children cast devils out of people. We have witnessed kids being caught up into heaven many times. Powerful intercession happening through them. And many miracles. Move over, Church. God wants His church back, and that includes the children. Some of the most powerful intercession meetings I have ever been in (and I have been in some pretty wild ones) have been with children and youth.

Intercession from the
playroom
I mean pray room.

My own young daughter saw in a vision the downing of an American plane in the Gulf war. She saw the pilot parachute out, she saw him in the desert, looking for somewhere to hide from the enemy troops nearby. She was praying in the spirit for him the whole time. She saw an American plane coming, looking for him- As she prayed she saw the plane locate his beeper and pick him up. This pilot's testimony was in Readers Digest 2 years later- God is placing kids in the ranks of His army (some of them in the front lines). God told me He is placing the young people in the Ranks of His army -those who are trained and sharpened. I saw some of them being placed in the front row. God has used my daughters in intercession and in visions to save the life of someone. God doesn't think the children are too young to be used. The devil doesn't either. The devil doesn't say, "Oh, they are so cute, I won't bother them now - I will wait until they are older." No! he is after them before they are born - the enemy has a good program going, called abortion. If that doesn't work he will try and overtake them with occult cartoons and ungodly teachers.

I am not saying there is not time for colouring or playing - of course there is. But I am saying that can't be all- they need to be equipped in the power of God and walk in their spiritual inheritance. Their inheritance is not religion, but the supernatural realm of the spirit.

What are you believing for?

So, let me ask you, what are you believing for the children? I always believed that God was very interested in my children. I believed that He wanted to make Himself known to them so I released my faith and believed it. When my oldest daughter, Faith, was four years old, two angels came and took her into heaven for several hours. She saw and heard things that there was no way she could know in the natural. She came back speaking in tongues and prophesying and seeing visions. Jesus Baptised her in the Spirit in heaven. My youngest daughter, Lisa, had supernatural experiences of her own when she was very young. It has never been a question of only her mom and dad's God. God spoke to our kids and showed them the realm of heaven. We taught them it was normal. So many miracles. Miracles and the "laying on of sticky fingers". So my spirit is stirred up today. Don't be blind to the purposes of God and ignore one of the most powerful weapons God has made

available to your church. Through the "laying on of sticky fingers" as David calls it, you will see more miracles happen in your church than ever before. As you let the kids be equipped in the anointing the prophetic word will reach a new level. We want to help you train your mighty young (and older) warriors and bring them into the anointing. Maybe you would host a Mighty Young Warriors conference in your area - see we need some people who will catch the vision and step out in faith to facilitate what God is doing right now. It is GOD'S TIME FOR THIS
